Criando Familias Sanas 2004

Lacey Community Center 6729 Pacific Ave SE Lacey, Washington 98503 Phone#360-491-0857 Conference starts 8:30AM October 19 and 20, 2004

Raising Healthy Families 2004

"Criando Familias Sanas" is a no cost two-day conference designed to help social workers, therapists, educators, private agencies, foster parents and communities at large, to overcome barriers in working with our Latino families, make better assessments and identify providers that offer culturally appropriate services to our clients.

Keynote Speakers

Dr. Carmen Tafolla, an internationally acclaimed writer and educational consultant from San Antonio, Texas.

Ms. Magdalena Gomez, an award winning poet, playwright, performer and guest artist with the Arts Literacy Project at Brown University, from Massachusetts.

Workshop Topics: Immigration Issues, Intercultural Communication, Culture vs. Dysfunction, Relevant Family Assessments, Working with Hispanic Fathers, Best Practice, Family Dynamics, Cultural Competence
